Item VII: Overseas Communications Plan:

It was stated that the Overseas Communications Plan is being favorably considered by the Director and it is understood that the plan will not be taken to the NSC for approval at the present time.

Item VIII: New Business:

The subject of an overall policy for [] programs^{25X1} was brought up as a matter for the Board's determination and it was agreed to make this an item for the Agenda.

1951-1952 budget requirements were discussed. Agent equipment requirements for a period of two years have been procured from the operating divisions and will be analyzed as to justification and with a view to time scheduling. Operational requirements will have to be reviewed and a meeting of the Board will be called when this has been done.

The meeting adjourned at 4:05 PM.
